To Whom It May Concern:

I am writing this letter in regards to Jackson Reid and my recommendation of him. Jackson is a reliable, responsible and caring young man. I have had the pleasure of knowing Mr. Reid for about 5 years and he has always stood out from other young adults. Jackson is one of the few young people that you can entirely trust and believe in. His character is outstanding and he has consistently shown this through his academics, community service and work ethic. Jackson is a student with a high academic achievement; while balancing athletics, community involvement, and school leadership. Mr. Reid has also demonstrated his outstanding commitment to the community through numerous community service opportunities outside of the classroom. Jackson has been a leader, friend and role model to many in the town of Gilbert. I highly recommend Jackson Reid in any area that he desires to be involved in and know he will continue to be a man of great character and integrity.

Sincerely,

Michael Campbell
